the scope of section 106 planning obligations

There's a legal article as the Court of Appeal has recently considered planning authorities' use of s.106 agreements to prohibit applications for parking permits. It deals with the permissible matters in the wider use as well.

Community Cooperatives

LC / Plunkett have asked we bring your attention you to information flyer (at the link below) summarising the benefits of setting up a community co-operative, and this further call to action aims to build awareness within town and parish councils across England of the potential for community co-operatives to address the challenges local communities are facing and fully-funded support available from Plunkett. Parish councils have a hugely vital role as local enablers in largely rural areas to help establish such community co-operatives – at a time when arguably the creation of such vital building blocks as key units of local rural economic development are needed now more than ever.
